#### § 141.1 Purpose.

The purpose of this part is to effectuate the provisions of title VI of the Civil Rights Act of 1964 (hereafter referred to as the "Act") to the end that no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity receiving Federal financial assistance from the Department of State.

#### § 141.2 Application of this part.

This part applies to any program for which Federal financial assistance, as defined in this part, is authorized under a law administered by the Department including, but not limited to, the federally-assisted programs and activities listed in appendix A of this part. It applies to Federal financial assistance of any form, including property which may be acquired as a result of and in connection with such assistance, extended under any such program

after the effective date of this regulation, even if the application is approved prior to such effective date. This part does not apply to (a) any Federal financial assistance by way of insurance of guaranty contracts; (b) money paid, property transferred, or other assistance extended under any such program before the effective date of this regulation; (c) any assistance to any individual who is the ultimate beneficiary under any such program; or (d) any employment practice, under any such program, of any employer, employment agency, or labor organization, except to the extent described in § 141.3 (d), or (e) any assistance to an activity carried on outside the United States by a person, institution, or other entity not located in the United States.
